FINHAM PRIMARY SCHOOL NEWSLETTER

Dear Parents,

It is fitting that this week's value has been 'Teamwork' as we come to the weekend before our Year 6 Children sit their SAT's tests next week. It is fitting, because as a team, Team Finham, I truly believe, and that includes the children, teachers and parents, could not have worked harder. We have had many incredible journeys with the children over the years and when we started Year 6, I said we were to do our very best...no excuses!

Every child in Year 6 can go home this weekend proud of what they have achieved and who they have become and really know that you can't cheat pride! None of them have to make any excuses! Next week is next week, whether we agree with testing or we don't, the outcomes are a measure of the school and the ever narrowing education system, they are not a measure of how great the children are or a key to their future success.

Hardwork, Values and Talent, in whatever form it comes, will be the determining factor of the children's successful future - so - applying that measure - they are more than ready.

Have a great weekend.
Kindest regards
Richard Machin
