FINHAM PRIMARY SCHOOL NEWSLETTER

Dear Parents,

We have had a very busy first week back and I had the privilege of taking Year 6 away to Pembrokeshire. We didn't have the best of starts with the weather but we learnt very quickly that when Plan A doesn't work, Plan B is just an opportunity to do it even better 😊

If you are interested in seeing all the adventures please look at @FinhamY6

We have 1 week to go to the Finham Festival and have attached the flyer with all that is going on. We are really looking forward to the day and you will see the Marquee going up in the week.

This year we are holding a 'Values Sports Day.' we will be racing and celebrating sporting success, but we have the 'Engage Team' coming to look out for children putting our core values to the test. Teamwork, Respect, Integrity, Enjoyment and Discipline. We look forward to an awesome day.

Kindest regards
Richard Machin

2F ASSEMBLY

There will be no 2F assembly on 13th June, there will be a Year 2 assembly at 9am on 20th June, parents welcome.

BRING A PLANT TO SCHOOL DAY

On Tuesday 13th June Finham Primary are holding their first 'Bring a Plant To School Day'. Children are invited to bring in a garden plant (perennial, annual, vegetable, bedding plant, or climber) labelled with their name and class. They need to take it to a designated place in the school hall, upon arrival at school and each class, during the course of the day, will take part in a mega gardening experience! The children will take part in weeding, planting and watering in one of the raised flower beds at the front of school (there will be one for each year group) and Nursery and Reception children will plant bedding plants in the small raised beds and hanging baskets with gardening volunteers from the Finham Community. It will be a wonderful chance for the children to contribute towards a worthwhile end goal- to make our school grounds beautiful for everyone to enjoy this summer!

Please do not send plants in before the day, as we will have nowhere to store them and they may be muddled with plants from other classes!

Thank you

Mrs Schofield and Mrs Wilding 🌻
