FINHAM PRIMARY SCHOOL NEWSLETTER

Dear Parents,

This week's value is Respect and we have seen lots of respect being shown around the school.

The director of Education, Mrs. Kirston Nelson came to visit the school and we had a tour around Finham to look at this value. We saw some lovely examples in children's work and put some well done stickers in their books.

We have also been looking at how the children have been working together to raise money for Children in Need and make their penny lines.

There has been a lot of 'RESPECT' at Finham today. We have also been showing our respect this week by talking about bullying in school as part of Anti-Bullying Week.

We are taking an assembly this afternoon to celebrate these values and share everybody's successes.

Year 6 have enjoyed taking over the school as it has given them some responsibility and shown how much trust and respect the staff at Finham have towards us.

We hope we have done a good job.

Have a great weekend.
