

Dear Parents,

We have had a super week and we started off looking at our values. Teamwork, Respect, Integrity, Enjoyment and Discipline. I used this lovely video to get the children to think about how they want their school to be and how they want their year to be.

We decided that: 'Values are what help me be the best possible me I can be!'

Mrs. Bracken and I also went around and interviewed the children throughout the school about how they were getting on and what they were looking forward to.

'I really love the book we are reading in class - it is really exciting and I can't wait for the next one.'

'I like the tricky maths my teacher gives me - I like it when I have to think.'

'I love writing stories and using my imagination.'

I think we could base everything on the words of the children.

Just read as much as possible and get yourself lost in a book.

Push yourselves to think and exercise your brains.

Put your talents and ideas into your work.

Then we really will be being the best we can possibly be 😊

Have a lovely weekend
