Dear Parents,

This week we have been looking at the value of 'Enjoyment.' Doing what you love and loving what you do! So it will come as no surprise that the team at Finham have been busy transforming the entrance to the school into a 'Reading Wonderland' because we all LOVE reading. Hop into our magical hot air balloon and see where a story will take you today.

There are lots of stories to find and we launched the Balloon with Simran and Ameria, two of our wonderful Year 6 role models, who have recorded this week's Bedtime Stories, to join the Bishop of Coventry and all our other wonderful readers.

Another area we would like to develop is a book swap for parents. If you have any unwanted books or are looking for a good read, we will set up a book shelf so that we can start swapping next week. I would also ask if any parents would like to read one of our Bedtime Stories, contact the office and we will arrange an opportunity for it to be recorded.

Have a great weekend.

Kindest regards

Richard Machin
Head Teacher

How many stories can you spot in our story display?
