Dear Parents,

We have had a wonderful couple of weeks and have seen every weather type we possibly can. Thank you for your support and I hope you are all now thawed out 😊

This week we have been looking at 'Team Me'. The importance of all the people around us that make us be happy, be successful and to grow. The love and care we get from our families and friends, the nurture and support we get from our teachers and how everyone in school has such an important team around them.

We heard from Miss. Russell, who told us about her favourite hobby, Netball. She started playing more seriously when she was 12 and has played at a very high level, including playing abroad and the joy, confidence, friendship and success that has given her. That in itself is an inspiration but the part that is the most amazing, and important, is that, even now, after she has grown up and has her own family, her mum comes to every game she is in to support her. She has never missed a match since she was 12.

Never ever take for granted the people who support us, they are the unsung heroes of our successes.

Have a wonderful weekend and Mother's Day.

Kindest regards

Richard Machin
Head Teacher

SQUIRRELS TEACHER TRAINING DAY CLUB – THURSDAY 28th MARCH

We are again hoping to offer a fun day for our children on Teacher Training Day. However, this will be dependent on the amount of interest we receive, as it will not be viable to run the club if we only have a small number of children wishing to attend. The cost will be £25.00 per child and will run from 9:00am until 3:00pm. Please register your interest by emailing squirrelsclub@finhamprimary.co.uk and we will make a decision **Friday 16th March** if we are to run the club.

SQUIRRELS CLUB

Please be reminded that you have until **Monday 19th March** to book your before and after School Club places for after Easter. Please email squirrelsclub@finhamprimary.co.uk to book.
