Dearest Parents,

We have had an amazing week at Finham with the sun still shining. Two particular highlights for me have been the History Theme Days we have had with Year 5 and Year 2. It was great to see how engaged the children were in their learning and how fascinated they were in bringing the history to life.

We were all still buzzing from the challenges last week and found out how the teaching team got on to bring it all together. Some very tired legs but testimony to how anything is possible when you are part of a dedicated team.

Thank you for those who have already returned their sponsor forms and a reminder, we need them all in by **Monday 25th June** to see how well we have done for our school reading project.

We will send out the totals from both parts of our challenge project in next week's newsletter.

Please see below a picture which has been given to me by a concerned parent. I am not sure what more we can do - in the end our children are all precious and we all have a responsibility to keep them safe and if we think our time is more precious than others, we end up with these dangerous and selfish actions that ultimately will end up with a serious and potentially tragic accident.

Please have a good and safe weekend.

Kindest regards

Richard Machin

Headteacher
