Dearest Parents,

When a Ferocious Dragon splits our Magical Willow Tree in half to reveal 3 mysterious wands....you know it's going to be a great week at Finham Primary School. The creative writing that has been produced across the school has been amazing and it is so energising to see the sparkly eyes of excited children and teachers as the stories have been told.

We have also had a wonderful transition day and I am sure your children have told you all about what the new school year entails. The Year 6 children were certainly very excited to tell us all about their new schools, new friends and new teachers.

I have the great pleasure in taking four of our Year 4 Coventry Young Ambassadors to the School Games this morning to work with the Coventry Ambassadors to start their training for the work we will be doing in preparation for Tokyo 2020. You can follow this amazing project on twitter @CYAmbassador

Have a wonderful weekend and if you are watching the football on Saturday, I hope it isn't too stressful. (I'm sure I didn't have as many grey hairs before the penalty shootout.)

Kindest regards

Richard Machin

Headteacher
