Dear Parents,

We have had a very busy week at Finham Primary School with a special visit from Her Majesties Inspectorate from OFSTED. Thank you to everyone that returned a school questionnaire and took time out to speak to them during their visit - it is very much appreciated. I have had lots of parents ask how it went on the gates during the week. We are not avoiding your questions, we are not able to formally let you know until the report has been moderated and sent to us in its final form. At this point we will send you the report and publish it on the Website. It usually takes a couple of weeks but we will share it as soon as we receive it. Thank you for your patience whilst this process takes place.

It has been lovely to talk to the children and teachers about their adventures in Dol y Moch and follow their adventures on Twitter. There will be some very tired children and staff this weekend and I urge you all to get some good rest so that you are ready to kick start next week as we continue our amazing Finham Adventures.

Have a restful weekend.

Kindest Regards
Richard Machin
Headteacher

TALK PANTS AND STAY SAFE

As part of our collaboration with the NSPCC, we have some great information and ideas on how to have simple conversations with your child about staying safe.

The scheme of work is called "Talk Pants and Stay Safe" which is age appropriate for Primary school children.

The conversation is now available on Frog on the Office Page under the heading "Finham Families"

Please take the time to have a look, it really is a useful tool to have at your disposal.
