Dearest Parents,

We have had a fabulous week in school looking at the Value of 'Respect.' The children have been looking at ways they can show respect from good manners to looking after the environment and the things around us. We have had a big push on 'Food Respect' and 'Table Manners' particularly at food waste and only taking what we intend to eat so that we don't throw waste food away. The children have been really good at doing this and we have seen a vast improvement as the week has gone on but there are still areas we can improve on so will be continuing this work over the coming weeks.

It has been a very active sporting week with children across the school representing us in various matches home and away. You can always follow our sporting teams on twitter @FinhamSport

We also had a wonderful assembly for parents from the Year 5 children who have just returned from Plas Dol y Moch. Each year the children work to achieve the John Muir Award and their presentations to share their work are the final part. It is always a big highlight for all the team at Finham to see the children's enthusiasm about their adventures in Wales and we are reminded how lucky we are to have such an amazing resource for Coventry Children 😊

Have a great weekend and we look forward to 'Integrity Week' and a Fabulous February!

Kindest regards

Richard Machin - Headteacher
