Dear Parents,

We've had great fun today collecting all the jokes in and the children have worked incredibly hard to get the joke book ready to sell at the end of the day. Thank you to everyone who got involved from telling the jokes, making the book and buying the book. All the proceeds are going to Comic Relief. The book will be on sale from the school office so don't worry if you forgot today – we will keep promoting and selling until they run out 😊

We are extending the deadline for all entries into the World Book Day quiz until Monday. This means you have an extra two days to read and find out the answers. Remember you don't have to print off the quiz - just look at the questions on FROG and then write the answers on a piece of paper with your child's name and class. Why not do it together? Please encourage them to have a go!
Please hand into the office or your child's class teacher.

We are also really looking forward to The Children's Mile on Sunday. Thank you to all the children and families that have volunteered to take part and let us hope it doesn't rain. Team Finham will be there to welcome you all on at the Memorial Park on Sunday Morning.

We had a visitor in school on Tuesday, who helped some of our superstars in Year 3 with their stories and reading. Disney, the St. Bernard's Story Dog, will be helping us on a Tuesday afternoons and is a great new member of the team. More information about the adventures of Disney and the children will be coming home soon.

Have a great weekend.

Kindest regards
