Dear Parents,

We have had a great week in school and have been looking at our key value, integrity. Or, as your children will tell you, doing the right thing, even when no-one is looking!

With the older children in school we have taken that even further and looked at the characteristics of this difficult value.

*'Integrity is the practice of being honest and showing a consistent and uncompromising honesty and truthfulness or accuracy of one's actions.'*

We shared examples of when we have had to show it and how hard that has been and decided that the 'right thing is often the hardest thing!'

We all agreed that in the end - what we do and how we do it define us and that Integrity was the most important of all the values.

There are lots of times when our integrity is put to the test and one of those times is coming into and out of school. A busy time, we are in a rush, we may be frustrated or even just having a bad day.... but what we do and how we do it define us. Please help us keep all our children safe by using this most important value when coming to and from school - it is the right thing to do, even if it may be difficult some days!

Have a great weekend and good luck to anyone running the Coventry Half Marathon.

Kindest regards

- Large cardboard sheets or boxes at least 1 m<sup>2</sup> (not cereal packets).
- Large pieces of plain fabric that could be used to make a backdrop, preferably blue, beige or brown.
- Any other fabric.

Thank you.
