Dear Parents,

We have had a great week looking at the value 'Teamwork.' We started the week making pancakes in assembly and seeing how the different ingredients came together to become something even more awesome. That is how we have been looking at our classes - lots of different talents coming together to become something awesome! This was definitely put into practise during World Book Day. We had such a great day sharing stories and enjoying the characters in our favourite books. There are lots of pictures on our Twitter site @finhamprimary that give you a taster of how amazing the day was.

There is an opportunity to buy lots of books tomorrow at the Finham Community Library Book Sale, with tea, coffee and cake - well worth a visit.

Next week on Friday 15th March is Comic Relief - Red Nose Day. We will be allowing children to come to school with their red noses but we are going to do it a little bit differently this year.

We will be wearing our school uniform but asking the children to bring in their favourite joke and a donation to Comic Relief.

My favourite is still:

Have you heard about the Magic Tractor.....it TURNED into a field! 😊

Now I reckon that the children of Finham can do far better than that!!

We will be collecting all their jokes together and making a 'Finham Primary Joke Book' which the children will then sell to raise money for Comic Relief.

I am starting next week with the following video and start to get the children thinking about why we are making our joke book because we are not just making a book, we are making a difference:

Have a great weekend and I look forward to some really funny jokes.

Unfortunately, there are no names on any of the items. If you could in future label all of your children's items, it will be easier for us to return to the child's class.
