Dearest Parents,

We have had a very focussed week with the children in Year 2 and Year 6 taking their SAT's. The children have been brilliant and were really positive about the experience. I will be honest and say that in the 25 years I have been doing them, it's the first time I've had a child run up to me after a test and declare...'I really REALLY love SPAG!'

We are all systems go for the Ground Force Day tomorrow and the children were very excited to see the delivery onto the field of the materials and the Yurt. We have a big job ahead of us so I hope when the children come to school on Monday, it will be built and ready for them to use. When all our work is finished, we have secured funding to then resurface the whole outside area for Reception and Nursery, which will make it all look amazing! Outdoor Learning is such a fundamental part of children's development so we are all very excited about the plans ahead.

During the week beginning the 17th June, we will be teaching Sex and Relationships Education (SRE) in school. We will be continuing to follow the scheme of work we developed with our local schools and a letter will be coming out after half term with more details. On Tuesday 4th June @ 6 pm, we will be available to share all the resources we will be using so that parents have the opportunity to see the schemes of work, the materials and the language we use in school.

We are encouraging parents and teachers to nominate our school to give us the chance to win £5000 for the school library. Because at Finham - We really do LOVE Books!

Please see attached link and if you have a spare couple of minutes, Kindly nominate us:
