

Summer Term 2019 - Parenting Programmes

Please note the group programmes do not run during school holidays except for Family Links Antenatal courses. In order to meet the learning styles of all parents within the group we are only able to accommodate one interpreter per group. In certain circumstances a parent may need to be accompanied to attend a group Programme. Please contact Parenting to discuss this prior to the group starting. If you would like to refer yourself or a parent onto one of these courses you need to complete a referral form which can be found on our website www.coventry.gov.uk/positiveparenting or email parenting@coventry.gov.uk
