Dearest Children and Parents,

I wish to inform you that Mr Machin has been appointed to be the Headteacher of Potters Green Primary School in Coventry. We have had a successful seven years under his leadership and I know that we will all be very sad to see him leave. The governors of Finham Primary School and colleagues at Finham Park Multi Academy Trust wish him every success as he takes on his next challenge. The school is in a very strong position - Governors will work very closely with Finham Park Multi Academy Trust during this transition period, ensuring staff, parents and our wider community are informed about next steps. We will work together to appoint a new Headteacher who will take Finham Primary School forward and onto another successful chapter.

Terry Arnett - Chair of Governors
