Dear Parents/Carers

We have had another great week here at Finham Primary, I can't believe we are nearly at the end of this academic year! As we get closer to the end of the summer term and closer to the holiday, here is a list of dates of events to come. The excelling progress of the students both personally and academically this year has been astounding, every individual getting on brilliantly in their new classes on transition day. Speaking for myself and their new class teachers, we here are so impressed and proud of everyone with their evolution into the next coming year.
