Dear All,

I can't believe we are at the end of our first half term. Time has flown by so quickly with so many exciting things happening in school.

Week beginning 18th November is the launch of Road Safety Week. Please could your child design a poster over half term to make people more aware of road safety issues.

A selection of these posters will be displayed around the local community during road safety week.

Please can I remind you to park carefully outside school and not to use the school car parks unless you are displaying a disabled parking badge.

I am really sorry to have brought you the sad news at the beginning of the week. We have placed a book and a box in the reception area where children have been writing down their thoughts during the week. If you wish to contribute to the book it will be available until the beginning of November, after that time they will be given to Mrs Machin.

I hope you have a wonderful holiday and Happy Diwali.

Sarah Bracken
