

Newsletter

Dear All,

This week we have been watching the news, anxiously trying to find out what is happening to our loved ones around the world. Please remember that all local information about Coronavirus that affects Finham Primary School is updated on our website. The information is added by the Multi Academy Trust so information across all schools in the MAT is consistent.

If your child is in KS2 please remember to log into Century Tech so your child can complete personalised work that is planned to meet their individual needs based on assessments your child has carried out.

Have a great weekend
