

Dear All,

We have reached the end of our first week! If you are at home and poorly or self-isolating, we all send you our very best wishes.

'Home Learning' is a new concept for us but I'm amazed how many children have engaged with Frog.

Lots of people are feeling stressed, overwhelmed and under pressure right now, especially so when everything is changing day to day. As a school we have been really mindful not to overload parents and children. Please continue to try and keep a balance between school work and leisure time.

**Headteacher:** Mrs. Sarah Bracken

You are loving your kids and supporting them through a difficult time. Look after yourself too - minimising stress is absolutely vital in a time like this for the nation's mental health. Taking care of you is taking care of your children too. Please don't let school work become something that stresses you or your child too much at all.

With Teamwork, Respect, Integrity and Discipline – the values that make Finham such a special place – we'll all get through the coming challenges.

If you have any worries or concerns please contact us.

If you want to share the wonderful things you are doing at home then please do on Twitter or Frog.

Enjoy your weekend and take care.

Kind regards – Sarah Bracken

**A school built on the 5 core values of Teamwork, Respect, Integrity, Enjoyment and Discipline!**
