Dear Parents

This week we have welcomed more children back into school. Following on from the children who have been attending each day before June 8th, we now have nursery and reception, as well as another children whose parents are key workers. We will be welcoming Year 1 and Year 6 children in next week, then another cohort later in the term. It's been a pleasure having more children in school; although markedly different to what we are all used to, it feels like we have made a significant step towards more normal times. I would like to thank parents for following the social distancing plans we have needed to put in place to keep your children safe.

Some parents have asked about when other year groups will be allowed to attend. For this, we are waiting for more guidance from the government. Here in Finham Primary things are going well so far, but it is too early to commit to more children being allowed in at this stage.

While there has been an inevitable focus on getting the school ready for those pupils returning, it is important that we don't forget pupils who are still learning at home. Work is still being uploaded to Frog and over the next few weeks we will start to add transition activities to prepare children for their next year in school. This week we are going to start awarding a "Star of the Week" for a piece of work uploaded onto Frog or for someone who has worked hard in school. Please keep adding work every week as we love to see what you have been doing.

Thank you for your continued support. I do understand how frustrating the lack of information can seem at times but as soon as we can make firm plans we will let you know.

Have a lovely weekend

## STAFF PORTAIT COMPETITION

Can you draw your teacher, we need pictures of all our teachers here at Finham Primary for our website. See how creative you can be, draw a lovely colourful image of your teacher, don't forget to write your name and the teachers name on your drawing. Upload your picture onto Frog by Friday 26<sup>th</sup> June and the winning pictures will be put onto our school's website. Good luck.

Remember don't leave anybody out, her is a list of staff to remind you.
