

Newsletter

Dear All,

It has been a mammoth job, but we finally did it! All the children who stated that they wanted to return to Finham Primary at the beginning of June, have now been catered for and are back in school. The sound of children laughing and learning is beginning to fill the building again.

We would like to continue to offer time in school for more children, but this needs to be done in as safe a way as possible; clearly we have already gone further than most schools and it is important that we don't overstretch ourselves. We review our risk assessment weekly and Finham Primary's Health and Safety committee meet every two weeks and report their findings to the governing body.

Government guidelines are currently changing and being updated we will continue to endeavour to inform you of our plans as soon as it is feasibly possible.

The group of children whose parents requested a later return date, will be coming into school from the 1st July 2020. We are working closely with our health and safety community to put a plan in place and will send out more information at the beginning of next week.

At the moment, myself and my colleagues are considering ways in which we could give Years 2-5 the chance to come back to take part in some form of transition activity some time before the summer holidays. This will take a considerable amount of planning and may not be possible due to government guidelines which we are following closely but I will share with you any details as soon as I can.

Over the next couple of weeks there will be lots of transition tasks on Frog for your children to complete to help them prepare for their next phase of their schooling. Please ensure you upload the information onto Frog or email it to your class teacher, so they can see the work they have been doing at home.

Have a lovely weekend

Sarah Bracken
Head Teacher

SCHOOL LEAVERS

If your child is leaving at the end of the school year, please could you contact Mrs Sargent on d.sargent@finhamprimary.co.uk and make her aware which school your child will be transferring to. You do not have to contact her if you are in Year 6 or Nursery unless you have received an individual email from Mrs Sargent asking for confirmation of the school your child is attending.

READING DIARY COMPETITION WINNERS

The winners of our reading diary competition are KS1 - Sahibjeet in Y1 and KS2 - Vidhya in Y5. All entries were wonderful and of a high quality, so a huge thank you to all the children who entered. It was really difficult to choose the winners. We have created a display of the entries in school. Mrs Thakor

STAFF PORTAIT COMPETITION

Can you draw your teacher, we need pictures of all our teachers here at Finham Primary for our website. See how creative you can be, draw a lovely colourful image of your teacher, don't forget to write your name and the teachers name on your drawing. Upload your picture onto Frog by Friday 26th June and the winning pictures will be put onto our school's website. Good luck.

Remember don't leave anybody out, her is a list of staff to remind you.
