

Newsletter

Dear Parents,

Thank you so much for your continued support, we really do appreciate it especially in the tricky times that we find ourselves in. The Finham team feel privileged to work in partnership with you to keep your children safe and happy.

We apologise for, what you may feel at times, has not been a great deal of communication about a return to school and what that might look like. We know there is a lot in the news and speculation. But we do not want to speculate, we just want to present you with the facts as and when we have them. Unfortunately, government guidance changes daily and any plans we make are subject to these changes. What we did not want to do is to send out information which by the following day is no longer relevant.

Please rest assured that we have been working tirelessly behind the 'scenes' to ensure the return to school for Nursery, Reception, Y1 and Y6 is timely, safe and everyone is clear about each and every procedure. Your child's wellbeing and safety has been at the forefront of every plan.

I will be writing to the parents in the above year groups separately to let them know exact timings and procedures for their return as soon as possible.

I really appreciate your patience and understanding as I know it is difficult to plan things at the moment.

Thank you and know that it is this partnership that we have to secure the very best for your children is what makes Finham such a brilliant place.

Take care and enjoy your weekend.

Sarah Bracken
Head Teacher

READING DIARY COMPETITION

It's that time of year again! We would like children to design the front cover of our home reading diaries for September 2020.

There will be 2 winning entries: one from Key Stage 1 and one from Key Stage 2.

As your design is for a reading diary, your design should be 'book related', bright and colourful!

Once you have drawn your design, please get your parents to take a clear photo of it and email it to: a.thakor@finhamprimary.co.uk by Friday 12th June 2020.

In the email, we will need to know your name and which year group you are in at the moment.

The winning designs will be chosen that weekend!
