Headteacher: Mrs. Sarah Bracken

Dear All,

I hope that you are all in the swing of school work on Monday to Friday and have set a timetable that works for you and your family. Obviously, every family needs to do what works best for them. Please keep going, you are doing a wonderful job! If you are struggling in anyway or just need some advice, please email school.

Reading

Reading is so important, This is a great time to do lots of reading. At a time when we cannot go anywhere much very physical, reading can take our minds to lots of interesting places. Reading is good for rest and relaxation. Reading is a key for all subjects now and in the future. Reading extends vocabulary. Reading helps with spelling and writing skills. If children are not so keen on reading themselves then it is important that they listen to stories – they can still gain a great deal from listening to stories and it will still help all of the above.

Practicing Musical Instruments

Many of our children learn instruments, it is essential they keep practicing. Playing a musical instrument is good for wellbeing and learning. Even if children don't actually learn a musical instrument they can still make music and they can sing! Singing is wonderful for making us feel good and happy.

VE Day Friday 8th May is the celebration of 75 years since VE day.

There is a bank holiday to celebrate. Please do post pictures of your VE Day on Frog. You might also want to dress in red, white and blue or have a family tea party outside your house. Twinkl has lots of resources to help with your celebration.

We have attached a colouring page which was being offered to be personalised for schools, one of our parents Mrs Annison kindly asked one for Finham Primary and wanted to share it with all our pupils, thank you Mrs Annison.

Stay safe

Sarah Bracken

A school built on the 5 core values of Teamwork, Respect, Integrity, Enjoyment and Discipline!
