Dear All,

Welcome back, your children have been brilliant! They have settled in really well, are fully engaged in tasks throughout the day and there is an enthusiastic buzz around school again.

Finham Primary's Health and Safety committee are meeting after school today, we will continue to monitor local and national developments and, if changes are required we will inform you.

Please can I remind you that children can only bring in healthy snacks for break times, this does not include crisps, biscuits and chocolate. If you are putting any of these items in their lunch box please remind your child that they are not for eating at break. Children will need to bring a named water bottle in everyday so they can drink throughout the day.

Each year group has produced an overview of what is happening during the term and will send them home by the end of next week. These will have information about which days children will be doing PE and what topics they will be learning about. Children can wear their PE kit to school on PE days. If children have dance or gym they will need shorts and tee shirts as they cannot wear track suits for these activities.

Have a wonderful weekend and we look forward to seeing you back on Monday.

SCHOOL MEALS

If your child is receiving school meals these are booked on a weekly basis, your child needs to have either school meals or packed lunch they are not able to have both in the same week. If your child has been having school meals last year then they will continue to have them this year and be charged for them unless you have notified us that they are stopping. If you send your child in with a packed lunch and they are booked to have a school meal then unfortunately you will be charged for that meal as this has already been ordered and catered for by the kitchen. If you wish your child to change you need to give the office one week's notice. Many thanks.

Happy Birthday from Finham Primary
