

Dear All,

I'm not sure where the last week has gone, but it's certainly flown by. As always, what a wonderful week it has been at Finham Primary School with so many events and activities taking place. We've had trips, visitors, Comic Relief and Science Week, where the children have carried out lots of investigations. I am always blown away by the children's articulation about their learning and pride they have in themselves.

School Uniform Reminder:

School uniform helps to foster a sense of belonging among our school family and helps to encourage a sense of pride in our school. I wish for all of our children to have the same, high standards for both their school uniform and their PE kit as it gives our children a clear identity. It shows that they all belong to Finham Primary School. I want children to feel that they belong to their school and to be proud of it.

If you are unsure of our school uniform policy, please refer to our website. Here you will find more information on what to wear and includes places where you can purchase items (e.g. ties) if you require.

If you are having difficulties purchasing the correct uniform and need some help, please contact Miss Walker (Learning Mentor) and we will be happy to support you in any way we can. Equally, if your child has particular needs, let us now and we will always make reasonable adjustments on an individual basis.

We strongly encourage all children to wear correct school uniform as this fosters a sense of pride and belonging in both themselves and the school.

We thank you for your support in this.

Sarah Bracken

Headteacher

LOWER PHASE NEWSLETTER

This week, with a focus on the value of enjoyment, the lower phase has been involved in a range of exciting lessons and experiences!

This week, year 2 were lucky enough to have two visitors come into school to work with them. On Tuesday, they enjoyed a visit from St Martin's Church to learn more about Christianity. The children had the opportunity to explore the bible and hear different stories from it. They also took part in a carbon monoxide workshop where they enjoyed taking part in role play and discussions to explore the dangers of carbon monoxide.

In year 3, the children have been finding out about animals in their science lessons and yesterday, they went on a school trip to Twycross Zoo. The children had a great time looking at all the animals and returned to school with a wealth of facts and knowledge about the different animals they had seen.

Year 1 have also had an enjoyable week celebrating Science Week. They have completed some different science investigations including 'Fizzy Colours' where they explored the outcome of different chemical reactions.

Miss Beale

Diary Dates

Tuesday 19th March

- Year 4 Swimming Lessons

Wednesday 20th March

- PTA Easter Competition

Friday 22nd March

- Colour Run
