

Dear Parents

Thank you for all of the support that you have given us, not just over the last few days, but since your children began their journey at Finham Primary School.

I'm looking forward to sharing the outcome with you as soon as we have the official confirmation.

Kind regards

Sarah Bracken
Head Teacher

UPPER PHASE NEWSLETTER

Children in Year 4 have engaged in a week of enriching their skills in multiplication and division - particularly in applying these operations to solve complex reasoning questions. Additionally, students have strengthened their numerical proficiency through translation practice, multiplying three-digit numbers by single digits, and dividing three-digit numbers by single digits. In history, pupils delved into the impact of Caesar's involvement with Britain, tracing its lasting influence on present-day Britain. This historical exploration seamlessly intertwined with their art lessons, where students examined and recreated intricate pattern designs found on Roman shields.

This week, Year 5 delved into the captivating world of literature with their study of the book 'Silverfin' by Charlie Higson. Drawing inspiration from the vivid settings and rich character descriptions, the children embarked on crafting their own narratives, honing their writing skills by incorporating descriptive language and structured storytelling techniques. In the realm of science, they explored the intricate life cycles of plants and mammals, gaining insights into the processes of reproduction and gestation across different species. Through these engaging pursuits, the children demonstrated a keen curiosity and a growing proficiency in scientific understanding.

Year 6 students have delved into the world of Money Matters with the intriguing theme of 'A Risky Business'. They have been meticulously planning their legacy project funding business, considering the essential requirements, devising marketing strategies, and evaluating potential risks for the success of their ventures. Additionally, students have fervently participated in the Leavers' Performance preparations, engaging in singing rehearsals and crafting insightful scripts based on their cherished school memories. Moreover, in the realm of Design & Technology, pupils have been engrossed in constructing their final treehouse designs using a diverse range of materials with the ultimate goal of not just meeting but exceeding the specified targets. They will culminate their project by critically evaluating their finished products against the success criteria.

Diary Dates

Friday 21st June

- Year 3 Staying in School

Monday 24th June

- Year 1 – Sealife Centre Trip

Tuesday 25th June

- Year 2 – Warwick Castle Trip

Thursday 27th June

- Nursery & Reception Sports Day

Friday 28th June

- 1:30pm – 3:30pm – Year 1-6

Sports Day

- 3:45pm – 5pm – Summer Fayre

BOOK APPEAL

Thank you to everyone who has already brought in books for the Year 5 book appeal. If you could continue to have a look through cupboards and bookshelves for books, which you are happy to donate to the school for our book sale, that would be very much appreciated. Our school children will be given an opportunity soon to buy these books so we'd love to have a range of genres and age ranges that we can offer. If you are also able to double-check the pages are in good condition and are suitable for children in a primary school, that will help ensure everyone is happy with the book they receive.

PTA EVENTS

28th June- Summer fayre-3:45pm-5pm.

WEEKLY ATTENDANCE

NNAM- 87.8%	3S- 97.3%
