To all our Finham families,

We have had another lovely week with OPAL! We are getting some great feedback from staff regarding children's behaviour at lunchtimes. It has been lovely to see new friendship groups forming and seeing the children working together to create lots of fun at lunchtimes!

We are hoping over the next couple of weeks to add more exciting things outside including scooters / tyres and crates for children to create even bigger dens!

CHILDREN'S FEEDBACK

Emily 1B – "I like exploring everywhere and playing with the older children"

Garvit 1W – "I love playing all of the different sports like cricket, football and tennis!"

Max 3S - "I like how I can play with my sister and build dens and also like the wildlife area!"
