To all our Finham families,

We have exciting news! We now have our very own sandpit on our field consisting of 4 TONNES of sand!! We opened this up to children yesterday and they loved it, there was lots of amazing sandcastles built and some very big holes dug! If you have any spare buckets / spades / beach toys then we are happy to take these off your hands!

We also put out some scooters for the children to play with and these were a hit with everyone! If anyone knows anyone who can get hold of any free traffic cones these would be amazing for our scooter tracks!

### CHILDREN'S FEEDBACK

Isla – 2S – “I love that we get to play with the KS2 children and go into the wildlife area as it is calm in there”

Ewen – 3W – “I love the barrels on the field, we get to roll in them it is so much fun!”

Emily - 1B – “I love the sandpit and the scooters they are amazing!”

Hazel – 1B – “The sandpit is marvellous!!”
