

Dear Parents/Carers,

The half term so far has been really busy and I continue to be so proud of the children and all we have achieved at Finham Primary. The staff are so committed to providing an excellent education for each and every child. Our feet haven't touched the ground this week with so much happening in school! This week has been Enjoyment week, and we have been celebrating storytelling and reading for pleasure. It's been wonderful to hear some fantastic stories. Please continue to tell stories at home over the weekend.

LOWER PHASE NEWSLETTER

This half term, year One, pupils have been learning about travel and exploration. In English, they are currently enjoying the story of 'The man on the Moon' and earlier in the week, they enjoyed a lesson on editing and improving sentences. In this lesson, their teachers had written sentences all over the classroom tables and the children needed to work together to improve the sentences with accurate punctuation, adjectives and conjunctions. They have also been exploring transport in their history lessons and today, everyone has had a great time at The Herbert Art Gallery and Transport Museum to learn more about vehicles from the past and present day.

In year 2 and 3, there has been a little bit of squabbling going on and I'm not talking about the children! I'm talking about the pirates and mermaids who just can't seem to agree! For this year's production, the children have split themselves into team pirate or team mermaid as they tell the tale of Captain Scary Pants and her crew. This week, rehearsals began, and the children have been showing great enthusiasm to learn their lines, songs and dances.

Miss Beale

ECO CLUB

The Eco Club are really pleased to announce that as a whole school we have beaten our target and managed to recycle 1,583 Christmas Cards. Thank you for your support.

CONNECTED LEARNING

As a school, we aim to support parents with understanding the way children learn. Therefore, we have created a page on Frog called '**Connected Learning**' that you can access through the 'Office' page on Frog. The videos will be available for you to access and each one will have a particular focus. They will explain to parents how their children's development can be supported through best practices for learning at home and provide strategies for children to support them with different parts of their learning journey. We will endeavour to add more videos over the coming months, and we hope you find them useful

Diary Dates

Wednesday 5th February

- 9am - Year 1 Inspire Workshop
- 1pm - Year 4 Swimming

Parents Evening – Online

11th & 12th February (information to follow)

WEEKLY ATTENDANCE
