Dear Parents/Carers,

This half term has been extremely busy and I continue to be proud of the children and all we achieve at Finham Primary School. The staff are so committed to providing an excellent education for each and every child. I would also like to thank all the parents who work so hard in partnership with school to ensure your child flourishes. This may be through attending workshops, parent's evenings and hearing your child read. I know everyone is ready to recharge their batteries and spend quality time together as a family so have a wonderful half term.

LOWER PHASE NEWSLETTER

This week, the year 2 and 3 children have been focusing on their production of Pirates vs Mermaids. They have performed 3 times this week to both the school and their families and have shown great enthusiasm and enjoyment during every show. Putting on a performance takes a lot of hard work and dedication, and the children have been working incredibly hard to learn their lines, songs and dances. They did a fantastic job of performing in front of a live audience and should be proud of their achievements! The year 2 and 3 staff also deserve a shout out for the effort they have put into rehearsing lines, setting up the stage, creating dance routines and ensuring everyone was ready for the performances. Well done to everyone!

Year 1 children have also been working hard this week. In maths, they have been persevering to complete some tricky work on doubling and in RE, have been learning about people who guide others. They have also been completing some art lessons and on Wednesday afternoon, completed an outdoor learning lesson to create their own splat art. The children had a great time thinking about the different colours they were going to use and despite being a little bit messy, create some brilliant pieces of art!

PARENTAL QUESTIONNAIRE:

As a team, we can all work together to provide a 'World Class' education for the children of Finham. Our children are constantly learning, growing and developing to become confident individuals who can have a significant impact within society. I am extremely PROUD to be the Headteacher of Finham Primary School and I value your feedback in helping to continue to drive the school forward. Through this process, we do collate and review all of the responses from these questionnaires and have made a number of amendments as a result of your feedback. Alongside this, we are also able to celebrate some great strengths/staff and identify some areas for development. I would like you all to be part of this process and have your say, so please click the link below and complete the google form so we can gain your opinions and ideas on Finham Primary School.
