

Dear Parents/Carers,

The week has simply whizzed by, as Finham Primary was a whirlwind of activity! Alongside their magnificent curriculum work, our students have taken part in British Science Week. Children have carried a whole host of practical science experiments helping them to understand the world around them and showing their scientific enquiry skills.

The weather has been changeable this week, please ensure your children wear a warm coat every day and bring their wellies with them so they can play on the field at lunchtimes.

Have a fabulous weekend.

Mrs Bracken

SCHOOL PARKING

We have received complaints from local residents about cars parking over residents driveways. The local police have provided guidance on how our communities can report instances of dangerous driving and parking through 'Operation Snap'. Through 'Operation Snap', members of the public can report traffic offences directly to the team by submitting digital footage or images (if the offence is captured) via the website. All footage and images are reviewed and police action is taken where appropriate. 'Operation Snap' can be found on West Midlands Police web page. Dangerous parking offences can still be emailed to West Midlands Police on the following email:

cv_schools_policing_team@westmidlands.police.uk

It is essential that we work together to foster a safe environment for our children and this includes adhering to parking regulations and demonstrating consideration for others while picking up and dropping off

UPPER PHASE NEWSLETTER

At the start of this week, Year 4 had a visitor lead an inspiring banner-making workshop celebrating the sport of kabaddi. During the workshop, the children explored the significance of various symbols and learned the game's rules. In Science, the pupils conducted a sound experiment using cups to investigate how vibrations facilitate the travel of sound.

This week, Year 5 began putting together their balanced arguments in their English lessons. They have been learning about the consequences of water pollution and the reasons behind it. The balanced arguments have allowed them to reflect on how they would like to behave, to best respect our environment. Many were disappointed that the ecosystems are under threat and would like to be a part of the solution.

Diary Dates

Wednesday 19th March

- 9am-Inspire Workshop-Year 4
- Swimming Lessons-Year 4

Thursday 20th March

- Coombe Abbey/Go Ape-Year 4

Friday 21st March

- Comic Relief-non uniform & wear red for a donation

THIS SCHOOL IS
NUT FREE

Year 6 have engaged in a variety of enriching science lessons as part of National Science Week. Focusing on the learning objective of plant and animal adaptations, students conducted research on how various species have adapted to their environments. Building upon their previous learning about natural selection, they examined data related to Darwin's theories, and participated in outdoor activities exploring camouflage with counters, effectively illustrating concepts of natural selection.

ORACY QUESTION OF THE WEEK

“What made you smile today?”

COMIC RELIEF RED NOSE- FRIDAY 21st MARCH

Non Uniform, wearing red and donate £1 for this great cause.

WEEKLY ATTENDANCE

Well done to **The Whole of YEAR 4** for getting the highest attendance of the week! 😊

Nursery	93.46%	3L	98.18%
RL	90.94%	4J	99.35%
RM	96.21%	4S	99.35%
1B	97.00%	5R	97.50%
1W	95.33%	5B	94.00%
2B	97.50%	6R	96.97%
2W	97.50%	6T	98.48%
3R	99.03%	Overall	95.9%

PE DAYS – Please ensure your child wears the correct PE uniform on the correct day.

Monday Year 2 – Team Building
Year 5 – Invasion Games

Tuesday Year 1 – Ball Skills
Year 2 – Ball Skills
Year 4 – Invasion Games

Wednesday Year 3 – OAA
Year 4 – Swimming Lessons (Xcel)
Year 5 – Net/Wall Games

Thursday Year 1 – Understanding Games
Year 3 – Net/Wall Games
Year 6 – OAA

Friday Reception – Athletics skills
Year 6 – Net/Wall Game

Please can all children wear their PE kit to school on PE days

Plain white T-shirt or white t-shirt with Finham Primary logo

1. Plain navy blue or black shorts
