

Dear Parents and Guardians,

As we end another week, I can't believe we only have four weeks to go until the end of term - where has the year gone! This week, the children have really enjoyed the sunny weather, and we hope this continues until the end of the year.

The sports days have been a highlight, with all the children participating enthusiastically. Nursery had a fantastic afternoon splashing around and playing in the water. A huge thank you to all the staff, especially Coach Tickle, whose efforts made these events possible.

We concluded the week with the PTA Summer Fayre. Thank you to the PTA for organising this wonderful event; all the money raised will go towards providing enhancements for your children at school. Your support truly makes a difference!

LOWER PHASE NEWSLETTER

It's been a busy yet enjoyable week in the lower phase and although it's been hot, the children have continued to tackle their learning challenges with determination and enthusiasm.

Over the past two weeks, year 2 have been completing their Key Stage One SATs. The children have completed a total of six assessments in spelling, grammar, reading and maths and their dedication to try their best has not gone unnoticed! They have had to use all their values to complete these tests, and their class teachers are incredibly proud of everyone's achievements. Well done year 2!

Meanwhile, other year groups have been working hard to prepare for today's sports day. This half term, in their weekly PE lessons, the children have been focusing on improving their running, jumping and throwing skills whilst learning about the importance of showing discipline, fairness and enjoyment. Year 1, 2 and 3 have had a fantastic time competing in and watching the various events this afternoon and have worked hard to ensure they encourage and congratulate their classmates.

STAFF CAR PARKS

Can we please remind all children that they must only enter the school through the main school gates and not use the staff car park entrance's. The car parks can be very busy and unsafe to walk through.

BIKES

It is great to see so many children riding bikes to school however please can all parents ensure their children wear their helmets as this promotes bike safety.

With bikes and scooters please can we also remind children they must dismount as they come through the school gates.
