

Dear all,

As we come to the end of another week, I can't believe we only have four weeks to go until the end of term—where has the year gone!

This week, the children have really enjoyed the sunny weather, and we hope this continues until the end of the year. Reception also said goodbye to their ducklings; I'm sure they will be very happy back on the farm with the other ducks.

It has also been wonderful to see so many examples of the children demonstrating our school value of *integrity*. We have seen children making the right choices, showing honesty, and taking responsibility for their actions both in the classroom and on the playground. We are very proud of how they are growing into thoughtful and respectful members of our school community. Sports Day has been a real highlight, with all the children participating enthusiastically and showing great team spirit and determination. A huge thank you to all the staff, especially Coach Tickle, Mr Millard and Mr Gardiner whose efforts made these events possible.

LOWER PHASE NEWSLETTER

Over the last few weeks, the lower phase classes have been working incredibly hard to practise their running, throwing and jumping skills in their PE lessons. They then had the perfect opportunity to put these skills into action during our school sports day yesterday afternoon. It was wonderful to see the children taking part in their events, which included sprinting, an egg and spoon race and a team throwing event. Everyone showed fantastic determination and enthusiasm throughout their races, and it was lovely to see the children cheering each other on! We are so proud of the effort, teamwork and positive attitudes they displayed, and we hope they all enjoyed the afternoon as much as we did!

WEATHER

With the warmer weather expected next week, we kindly ask all parents to ensure that their child comes to school prepared for the sunshine. Please make sure that:

- Children bring a sun hat each day
- Suncream is applied before school
- A clearly labelled bottle of suncream is provided so that children can reapply during the day if needed

Staying safe in the sun helps ensure that all children can continue to enjoy their time at school comfortably.
