Dear All,

I'm not sure where the last week has gone, but it's certainly flown by. As always, what a wonderful week it has been at Finham Primary School with so many events and activities taking place. Year 3 performed amazingly in their assembly on Wednesday and Year 6 are having a wonderful time on their residential – there are going to be some very tired children on Friday night. The children have been practicing for sports day next week, we hope the weather will be fine on Wednesday and Thursday.

Have a wonderful weekend

LOWER PHASE NEWSLETTER

There has been lots going on in the lower phase this week. In Year 2, the children have been working hard to complete their castle homework projects. The amount of effort that went into their castles really impressed their teachers and it was great to spend some time sharing them with each other. There were castle drawings, castle models, Lego castles and even a castle made from cake! If you want to see some pictures of their excellent work, please look on the Finham Primary Twitter account.

In Year 3, parents were invited into school on Wednesday to watch the celebration assembly. The children and teachers worked really hard to rehearse their assembly and families enjoyed hearing about all the fantastic work they have been doing in class!

Down in Year 1, the children have spent the past 2 weeks working on the story 'The Sea Saw' On Thursday, the children worked independently to write the story and Miss Russell and Mrs Williams were so impressed with their hard work, effort and determination. It's always lovely to look back at their writing from September and see how much their writing has improved! Well done Year 1 😊
